MAYFAIR Male

Dirty minded? Good then you sound like just our type! Why not drop us a line and tell us what's been ringing your bell - or otherwise - in Mayfair?

GRUBBY TALE!

Dear *Mayfair*,

I've been reading *Mayfair* for many years now, and although I enjoy it immensely, I have one slight irk – the lack of food play featured within it!

I've had a penchant for mixing foodstuff with sex since I was a young lad, whether on my own or with a lady. The texture, smell, taste and visual aspect makes it, in my opinion, one of the more sumptuous and satisfying forms of eroticism.

Although I have shared this pleasure with nearly all of my girlfriends to some degree, the most gratifying encounter of all was with Vivien, whom I met on the internet.

After a few conversations about the single life we realised we had much in common and decided to keep in touch via email – not meeting up as we lived many miles apart. Our friendship grew as the months flew by, until one day she announced she would be visiting friends only a short distance from me and would like to finally meet.

We met at my local pub, and I was pleasantly surprised to find that she looked even better in the flesh than she did in her pictures. We ate lunch while we talked and I couldn't help but become

slightly aroused by the way she handled and savoured her food – scooping up the remaining gravy from her plate with one fingertip and sensuously sucking it into her mouth through her full glossy lips, while maintaining eye contact made it obvious she was coming on to me. Encouraged, I invited her to my house for 'coffee' and she accepted, a wry smile playing lightly on her lips.

Settling back on my sofa later, I put my arm around her and, relaxing, she snuggled contentedly against me, draping one knee over my leg. The feel of Vivien's body so close to mine aroused me, my

CUTE? YOU SHETCHA!

Dear *Mayfair*,

Here's my shetch attempt in homage to your naughty Natalia (51.01). She really is the perfect *Mayfair* maid, with her sweet heart-shaped face, frisky expression, lovely boobs and those glorious thighs, framing her wonderful lady-flower! It was a joy to try and paint her, but in all honesty nature can't be bettered – as your beautiful photos proved all too clearly!

That's not to forget all the other stunning ladies who made up this particular cornucopia of bliss – Megan, Mia, Christen – so saucy and charming in her wild west bordello get up!

Thank you as always to everyone at *Mayfair* who contributes to it being such a joyous institution!

Gabriel, London.

Many thanks for your latest artistic endeavour, Gabriel. We had to look up the word shetch, which was a new one on us! Glad you liked the issue, and we're sure Natalia will be delighted with this piece of artwork when we send it to her! – *The Ed.*

pulsing erection was soon prodding into her thigh. Kissing her deeply, I sucked on her tongue and our lips locked together passionately as she traced the outline of my prick.

As the temperature rose, we began to grind against and explore each other. Opening her blouse to reveal a beautiful lacy bra encasing her ample bosom, I unhooked it and buried my face between them, inhaling her perfume as her hands crept between my legs to stroke my balls through my jeans. Tweaking her nipples made her squeal with pleasure, her hips bucking gently as she breathlessly asked

me to screw her.

Never one to miss an opportunity, I asked her to hold that thought and hurried to the fridge to gather some props. Choosing whipped cream, a bowl of cherries and a bottle of white wine, I returned to the lounge where my soon-to-be lover's eyes widened and she grinned sexily. Without saying a word, Vivien stood and disrobed, sliding her blouse from her shoulders, and her skirt and knickers to the carpet, nodding at me to follow suit. I wasted no time and wriggled out of my clothes, until we were both stark naked.

Lying on my fireside rug, we kissed

WOWIE CHLOE(S)!

Dear *Mayfair*,

I was looking forward to seeing the magnificent Chloe Dee in your pages after seeing her featured on your Coming Next Month page in the previous issue, and I wasn't disappointed. What a fresh-faces vision of loveliness she is – especially when she happens to be sporting a pair of sheer stockings (my all time favourite item of apparel on a lady!). And while I'm on the topic of Chloe, it was also a thrill to see the

super-cute Chloe Toy looking so comely in her stockings and suspenders – OK, they weren't sheer, but the set of pictures of her were a sheer delight nonetheless! If I had to give two reasons why *Mayfair* stands head and shoulders above the other magazines on the top shelf, I could do a lot worse than just produce these two photoshoots!

Martin, Hastings.

again, our bodies entwined perfectly. I took a dab of cream from the bowl and rubbed it on her lips, which she licked off salaciously. Scooping a bigger finger-full, Vivien dipped it into her glorious pussy, mixing the cream with her own essence, offering me her finger so I could taste the delicious mixture of cream and her juices. Sucking greedily on the proffered digit I savoured this luscious potion – the sheer intimacy of the situation causing the blood to positively pound in my cockhead.

Inflamed, I straddled her waist and massaged more cream into her breasts, occasionally pausing to pinch her hardened nipples before smearing them with more cream, enjoying the way she

wriggled under me, her excitement growing as I massaged her orbs.

Moving further down her body, I rubbed the cream into her swollen pussy lips, the musky scent wafting to my nostrils, and, wanting to heighten her pleasure, I inserted my fingers deep into her sopping hole, frigging her vigorously until I felt her vaginal muscles tighten and grip my digits. Her pussy spasming, she came hard and loud, all over my fingers.

When she'd regained her composure, I asked her to turn over. Her bottom-cheeks were smooth and silky like soft pillows, and I devoted some time to spreading the cream over their curves before working it into the deep furrow between them.

I could hardly contain myself; the sight of her little anus almost made me come on the spot. I creamed the skin around her ring, gently probing her sphincter while caressing her delicate rose-tinted orifice until she had relaxed enough to allow my finger to fully enter her bottom-hole. Using my other hand to stimulate her clitoris, I pushed my finger deep inside her bum, enjoying the warm velvety feel of her back passage for a moment.

Next, I scooped up a handful of cream, thickly coating the gorgeous crevice between her bum-cheeks and smearing it along her delicate spine. Then I turned my attention to the cherries. Placing them strategically along the ridge of her backbone, I embarked at last upon the wonderful task of licking the cream from her body.

Beginning at her neck, I tongued downward toward her arse, nibbling at the cherries as I went and causing increasingly violent shudders of anticipation to pulse through her frame. As I lapped hungrily at her ring, she pushed back against my tongue, begging me to fuck her.

Lifting her pelvis up I positioned myself between her thighs and, feeling her swollen pussy lips with the head of my engorged penis, I held her hips and took her from behind, thrusting my cock ball-deep into her welcoming snatch. I'm not ashamed to say that I rode her with more abandon than I'd ever ridden any girl before, fucking her pussy hard with my throbbing dick.

She gasped for breath, pushing back to meet my eager thrusts and, smearing the remnants of the cream into her buttocks once again, I felt myself erupt, my straining

Ready for the ranks of super hot British cuties who've appeared in *Mayfair* to be swollen by another one? Good – so are we, so allow us to introduce Felicity – of Flick as she likes to call herself! She's only a small wee thing, but we reckon she's a perfectly formed package, and we're certainly hoping to be seeing plenty more of her in *Mayfair* in 2017. Hmm, and looking at her now, it's becoming all too clear that our ranks aren't the only thing to be swelling...

tool exploding my own cream deep inside her. As I came, so did she, wailing like a banshee and arching her back as her vaginal muscles squeezed and contracted almost painfully around my empty member.

After relaxing with some wine, we continued our food play – it turned out that Vivien had a penchant for giving creamy blow-jobs, much to my delight! She stayed over that night and, despite the distance between us, we still meet up occasionally to indulge our edible fantasies...

accent and then whispered in her ear, "I'd really like to fill that arse of yours!"

"Who the...?" Sian exclaimed as she spun round expecting to see a total stranger.

When she saw it was me the look of seriousness disappeared from her face and she flashed a wicked grin.

"Sorry, luv, I couldn't resist it," I said, "grabbing hold of her firm arse."

"Hey! Not here," she replied. "I'm due a break, so follow me."

Sian led me into a staff only area and then into a large storeroom containing big shelves of fruit and veg. We found a dark corner and started kissing.

Sian then pushed me down onto the edge of the shelving and took her top off, letting her perky tits bounce into my face. As I

over her arse and stroked her wetness with my fingers. She moaned in response and pushed back on my hand.

"Fuck me!" She said with a broken, desperate voice, and sure enough I obediently stood up and worked my stiff rod into her dripping wet pussy.

GREECE IS THE WORD!

Dear *Mayfair*,

I know Greece has been having a pretty rough time of it of late, but if they've got the gene pool to produce a girl as stunning as Zoi, then it's clearly not all bad! What a tremendous beauty she is, and while I've been impressed with her earlier appearances in *Mayfair* over the last two or three years (including a couple under a different name), the latest set of her, in 51.02 was in a totally different league! Those wonderful brown eyes appear to be so soulful, and with the rest of her heavenly face, not to mention her divine body, she really is the perfect package. I can only imagine how lucky some guy must feel to wake up next to her every morning – I think I'd have to pinch myself repeatedly every single day!

Please say 'Yasou' to the lady herself from me, and thank her for making such a breathtaking appearance in your magazine!

Will, Colchester.

Thanks Will – although Zoi has asked us to point out that she's half Scottish as well – and we strongly suspect that side of the family don't exactly look like Russ Abbot's 'See you Jimmy' too much!

"Fuck me hard!"

I was sure someone would hear us because we were both snorting and grunting like pigs as I rammed my shaft in and out of her gushing love hole, she screamed so loud when she came a few seconds later my heart started beating really fast just waiting for one of her colleagues to interrupt us. But no one did.

Sian had fallen onto her knees on the floor now. She was leaning forward, I was behind her and ready to push my prick into her pussy when she grabbed my cock and demanded, "Fuck me in the arse."

With that she started rubbing my swollen head between her bum cheeks. It was almost like she was pleading me to bugger her and my cock was so juiced up from her pussy that it didn't take long before I'd got a couple of inches past her tight brown ring – and then it just popped all the way in. I grabbed her waist as I banged away at her rear.

Her bum was so tight it didn't take long before I could feel my balls swell up and I took out my cock

SUPERMARKET SWEET!

My wife Sian works for a local mini supermarket and the other day I popped into see her during her shift. She works on the fresh produce department and when I saw her she was bending over a few crates of apples, her nice round arse desperate to burst out of the tight trousers she was wearing.

I crept up behind her, adopted an unusual

chewed on her nipples her hands worked down my trousers, letting my stiffy bounce out into her hand. She began wanking me off fiercely, gritting her teeth and rubbing her tits in my face. Then she got on her knees and started sucking me off. She's got the perfect blow-job mouth and always uses it well, working me right to the back of her throat and then bringing her lips back over my bulbous head, over and over again.

She must have known I was about to cum because she then stood up and abruptly said: "No! I want your cock in my pussy."

I was only too willing to oblige and as she turned round I pulled her knickers down

just in time to gush a wad of cum over her rapidly shrinking arsehole. A good thing really because my pounding arse stokes had caused her to groan slightly louder than I would have liked.

As soon as we were both spent, we got our clothes back on and quickly returned to the shop floor as if nothing had happened. As I said goodbye to my wife I told her not to worry too much about getting randy on the rest of her shift, I'd be waiting for her at home. Sian, being the dirty slut she is, just eyed up a pallet of courgettes and said to me, "I think I'll be alright until then!"

Esex babe Sophie just about managed to squeeze us in for a shoot before jetting off to Australia for some serious R&R. So we wondered what she was planning to do while she was down under...

"Oh, I've got a list as long as your arm!" she beamed. "I love scuba diving, so I'm hoping to do a bit of that, as well as hanging out on the beach, seeing some friends. Maybe get together with a hunky Aussie fella or two..."

Hmm, what's wrong with us scrawny English fellas, eh? Either way, do make sure you don't get eaten down under – by a shark, that is!

"Well," replies Paul, "you know that beautiful girl at work that I wanted to ask out, but I got an erection every time I saw

an erection again. So I got some duct tape and taped my penis to my leg, so if I did, it wouldn't show."

"Sensible" says Jeff.

"So I get to her door," says Paul, "and I rang her doorbell. She answered it in the sheerest, tiniest dress you ever saw."

"And what happened then?"

(Paul slumps back over the bar again.)

"I kicked her in the face."

Claire was becoming frustrated with her husband's insistence that they always have sex in the dark.

Hoping to rid him of his inhibitions, during a passionate evening she flipped on her reading lamp and was shocked to find a cucumber in his hand.

Confused, he replies, "Yes Dear, it is sad, but they were skydiving, and there is always that risk involved."

After a few minutes, the blonde, still sobbing, says, "How many is a Brazilian?"

A guy hears a knock on his door. He opens the door, sees a snail, then picks it up and chucks it as far as possible. Three years later, he hears a knock on his door, opens the door, and sees the same snail. The snail says, "Hey man, what did you do that for?!"

A man saw a lady with big breasts. He asked, "Excuse me, can I bite your breasts for \$1000?" She agrees, so they go to a secluded corner. She opens her blouse and the man puts his face in her breasts for 10 minutes."

He replies, "No, it's too expensive."

Two guys are at a bar on the roof of a hotel. One guy says to the other guy, "I'll bet you a beer that I can jump off this building, let this wind take me all the way around this building, and I'll land back up here."

The other guy says, "You're on."

The first guy jumps and, sure enough, he goes around the building and lands back on the roof. "You owe me a beer," he says.

He goes on to perform the trick several more times, collecting free beers, until the second guy decides he's going to try it too. He stands on the edge, looking forward to a free beer from the first man, and jumps off, dying when he slams into the pavement below.

The bartender says to the first man, "You sure are an asshole when you're drunk, Superman."

A man and a woman started to have sex in the middle of a dark forest. After about 15 minutes of it, the man finally gets up and says, "Damn, I wish I had a torch!"

Mmm, it looks like we've unearthed another stunning British newbie! There's nothing that quite beats that feeling – especially when they're as lovely as Midlands babe Rhiannon here!

Oh, I don't think there's any doubt about that, Rhiannon. Erm, how are you fixed for next week...?

Before you start writing in, yes, we're perfectly aware that Zara Mae here has been known by another name in the magazine, but she's decided to consolidate her modelling name across all platforms now, so she's Zara from now on, alright? And let's face it, irrespective of what she's called, she's looking hornier than ever, isn't she? No wonder Bexi Williams can't keep away from that inviting snizz of hers – and vice versa, as it happens...

QUEST...

Reckon it's high time we had a trio of confessions from some of our lady readers? Well so do we - and here they are!

Having married my childhood sweetheart, I became more than a little saddened when our relationship slid into the 'comfort zone'. We are still affectionate, but after 11 years, we are more like brother and sister or good friends than passionate lovers. In fact, I can't remember the last time we made love. I would

day out. I get on great with his friends - I'm almost one of the lads - but I can't say I was particularly excited about the prospect. I can follow cricket and understand the rules, but I'm also bored by it. I only watch it to spend time with Ben and the gang, and only on occasion. But I thought it might be fun to get pissed up and trade banter with other fans, so I agreed to go.

It was glorious sunshine on the day in question and I wore a cute sleeveless playsuit, as it fitted my curves perfectly and to catch some rays on my bare legs. Piling into the minibus, the lads got straight on the beer and I had a feeling that I'd be witnessing some vomiting before the day was out.

We had good seats and the match was an exciting one, with plenty of singing, sledging and boozing. But by the afternoon the boys were worse for wear and I was catching up fast, my intention of not getting too hammered disappearing in the sunshine drinking. Yawning, I realised that I'd be asleep before too long, so decided to go for a walk to wake up and stretch my legs. Despite telling them, the guys were so engrossed in the cricket I'm not sure they noticed me leaving the group.

When I came out of the ladies, I found myself wondering how easy it would be to get into the hospitality suite - not something that's ever crossed my mind before - and set off in the direction of the main building. Luckily

for me, everyone around me was busy either

watching the action on the pitch or, in the case of the staff, hurrying around getting the place ready for the after-match onslaught. Nobody even glanced in my direction, let alone asked me what I was doing there. Heading through the dining

room, I slipped through a door, which took me down a corridor lined with portraits of famous cricketers past. I had no interest in them, however. I was only interested in the unmarked doors on either side. Pushing one ajar, I peeked in, only to find a load of middle-aged men guffawing while watching the game through a window-wall. Ah, so I'd found the executive boxes, had I? Unseen, I pulled the door closed and headed to the next one.

Opening the door and poking my head round, I found a man on his own - a man who clocked me immediately and grinned. I blushed scarlet, giving myself away. It didn't help that he was gorgeous. Tall with jet-black hair and the most handsome face, he waved a glass in my direction.

"Join me for a glass of champagne?" he asked, in the sexiest cut-glass accent. Confident from the alcohol still warm in my belly, I nodded and entered the posh suite. He poured me a glassful and, as I accepted it, our hands touched and I felt a spark of electricity between us. Taking a gulp of the cold liquid I was shocked and excited by the butterflies in my stomach and the tingle between my legs. I was a married woman, for God's sake!

Supremely confident, the handsome stranger gently took the glass from me and, putting them both on the table, held my face in his hands and kissed me softly on the lips. It felt divine! I kissed him back, pulling him in close and relishing the discovery that his body was hard and muscular under his suit. He pushed his tongue between my lips as he ran his hands over my curves, pausing to squeeze my bum before moving up to my pert breasts.

**HE LET OUT A SIGH
AS I GOBBLED HIM,
MASSAGING HIS
HELMET WITH MY
TONGUE...**

I gasped, parting my thighs as his hand found its way to cup my now-throbbing pussy.

Lust took over and I pushed him down onto a chair and straddled him, grinding my clothed snatch onto the outline of his hard cock as I snogged his face off. It was obviously too much for him, as he pulled away and breathed, "Take your clothes off!"

I had no intention of arguing and, standing up, I stripped my playsuit off in one fluid motion, not taking my eyes off him as he undid his fly and released his beautifully erect prick. I had the sudden urge to taste him so dropped to my knees, wrapping my lips around his girthy length. He let out a sigh as I gobbled him up, massaging his helmet with my tongue and his balls with my hands. Grabbing my head, he began to fuck my mouth, pushing his dick in to the hilt, making me gag.

As he pulled out I noticed a string of spittle between his cock and my mouth, which sent me crazy! Standing, I straddled him again, but this time I lowered myself onto his rigid pole, my vag swallowing him whole.

I was in heaven as he filled me entirely;

never leave Ben, however, as I care about him too deeply to hurt him - plus, I would never find another man as caring as he is. That said, I am/was more than a little sexually frustrated, so shouldn't have been surprised when my eye started roaming a couple of years ago...

I was completely faithful until the summer of 2014. Ben had bought tickets for the cricket, which he and his mates made an annual event of, but this year someone dropped out and unable to sell the ticket on, Ben decided that I should tag along thinking it would make a nice

hitting my G-spot and making me climax almost instantaneously. He grabbed my hips and thrust into me deliberately, banging me down hard onto his thrusting sword. I knew he was coming when he pulled me down into his crotch and ground his cock as deep inside as it would go, grunting and sweating profusely as he nuzzled his face between my tits.

As soon as we had both caught our breath, I clambered off him and pulled my playsuit back on. Without a word, he took my face in his hands once more and kissed me gently on the lips. Dizzy from the whole experience, I made a quick getaway and headed back the way I'd come through the restaurant, to the ladies toilet. I couldn't believe what had just happened! I tidied myself up and rejoined Ben and the lads who, as predicted, had barely noticed I'd gone! When I sat back down they were sledging one poor cricketer as he left the pitch.

I swore to myself that my secret fuck was just a one-off, but a few months later I found myself in another compromising position. However that's another story...

“SUDDENLY THERE WAS A HAND ON MY BUM, SQUEEZING ME ROUGHLY, THE FINGERS DRIVING THROUGH MY LIPS AND SPLAYING ME OPEN.”

I just love to be licked from behind. My pussy, my arsehole, my thighs, my feet, my toes, whatever, if you're licking them from behind and I'm down on my hands and knees it's guaranteed to make me come and come hard.

Up until I turned twenty, I had experienced plenty of from behind action but I'd never really let on that it was my biggest turn on – I think I was a little ashamed of it to tell the truth. Then one day, drunk, I confessed to a very sexual friend of mine that my ultimate fantasy was to be up on a pedestal on my hands and knees while a line of men came and tongued every inch of me they could see.

Three days later I got a call from Maggie, my horny friend I'd confessed to, and she told me that she had a little surprise for me, a sexy surprise. After that she said I should be round her place Saturday night at nine and then she hung up. It might sound obvious that Maggie had in mind a queue of hot men waiting to eat me out but she did this sort of thing all the time and I had actually forgotten about my confession so I had no idea what she had in store for me Saturday night, only that it was going to be naughty in some way.

It was the middle of the summer and very hot so I was wearing one of my flimsiest summer dresses and some strappy heels when I showed up at Maggie's place just after nine.

“Glad you could make it,” said Maggie. “They're all waiting for you,” and she opened the door to the front room slightly and we both peeked in at the three guys sitting on the sofa talking.

“Fuck, Maggie, what are you up to?” I whispered as she led me into the kitchen.

“Remember your little confession the other week about how you'd love to have a queue of men taking it in turns to eat you out from behind? Well I've found you a little queue...”

She poured us both a drink and sat down at the kitchen table, and I was just about to freak out at her when she continued, “Before you go crazy on me, don't worry, those guys don't know why they're here, except that it involves some group sex. As far as they know, they're all here to fuck me and they're just waiting in there for me to come in and get the party started. It's up to you, you've seen the guys, you know you can trust me – it's your fantasy. All I'm doing is giving you the chance to act it out. Say yes and I'll go in there and tell the guys exactly why they're here. Say no and you can leave right now or stay and watch me fuck them all by myself.”

I was really pissed off with her for doing this without even asking me and just as annoyed with her because I knew I would never have done anything about it myself. I grabbed the bottle of wine off her, poured myself a large one and said, “Oh fuck it, when does the party begin?”

“I knew you'd say yes!” Maggie said, kissing me on the cheek. She explained just what was going to happen. I was to go upstairs to her

bedroom and get undressed. Then I was to put on the mask that she'd left up there for me and climb onto the bed on all fours, ready. “You've got ten minutes and then we'll be up,” she said, kissing me passionately on the mouth. I crept upstairs into her room and saw the feather mask on her silk sheets – it was now or never.

One minute later, I was naked, kneeling on the bed, slipping the mask over my face, my pussy tingling. My nerves got the better of me and I got down on all fours with plenty of time to go before the boys came up. When I finally heard them come in behind me I had worked myself up so much that I was already wet for it and slowly swaying my hips from side to side.

No one said anything. There was some barely audible breathing coming from somewhere behind me and then suddenly there was a hand on my bum, squeezing me roughly, the fingers driving through my pussy lips and splaying me open. It felt like electricity coursing through my body and I began to rock back and forth, grinding myself

against this stranger's hand.

Another hand cupped my right buttock and pulled me open as a tongue found its way inside my cunt and was dragged up over my anus and along my crack. I couldn't help but let out a low moan as fingers pushed into my pussy and a tongue probed my arsehole, I was so incredibly turned-on!

“She tastes good,” came a voice from between my legs, and then I felt his tongue burst through into my pussy and his nose press against my arsehole. He pushed up against me so much I had to work hard to keep my balance by thrusting myself back against him, trying hard to ride his tongue as if it were a cock.

Then the rough handling stopped and a different style was introduced as my pussy lips were gently pulled on and my clit was

softly squeezed between finger and thumb. Another thumb sank into me, fucking me in circular strokes, pulling out and pressing against my ring. Would they actually fuck me, or would they just lick and finger me?

More hands were on me as my buttocks were spanked and I could feel two sets of

The three of them switched places again and my cunt and arse got more of the rough treatment that had started this ball rolling, my buttocks turning red through spanking as the guy's rough chin rubbed up against my clit as his tongue delved deep inside my hole.

They switched again and again until I didn't

know who was in my mouth and who was in my pussy. I came twice through all their attentions not knowing who or what was inside me

at any time, and this was without any of them sticking their cocks in anything other than my mouth.

"Fuck her," I heard Maggie say from somewhere near the door, then suddenly I was guided backwards off the bed, a finger and thumb up my cunt and arse, until I was half-standing, bent forwards over the bed. The sweet ecstasy as that finger was

shot thick wads of come over my face and shoulders before being plunged back in my mouth. Then Maggie appeared again, in just her underwear, and kissed me fully on the mouth, cupping my face in her hands and licking the come from my cheeks.

"I'll lick his come from inside you," she whispered as my climactic orgasm rocked through me, my cunt being filled with spunk again. True to her word, once I was full of sperm, Maggie came behind me and tongued every drop from my snatch before I dropped face down onto the bed, exhausted. Quietly, Maggie led the boys from the room and I fell asleep in Maggie's bed, waking in the morning to a house completely empty of strange, horny men.

"Good morning, said Maggie as she walked into the room and climbed into bed beside me. "I hope you enjoyed yourself last night. Now, how about you find out what it feels like to have a woman eat you out?"

And that's what I did!

THE FINGER WAS REPLACED BY A FULL-LENGTH, SOLID, THICK PRICK WEDGED IN TIGHT UP MY SNATCH.

fingers slide inside my soaking pussy, pulling my hole open – they could fuck me any which way they pleased now, I was so horny for it that I would have done anything they asked.

From the corner of my eye I could see a hard, shaved cock waving around and without thinking about it I reached out and pulled it towards me, wanking it hard and then taking it into my mouth, groaning as I

tried to cram as much of it inside.

The cock in my mouth was taken away from me and as I looked up to see it moving further away from me, its owner pulling hard on it, another cock presented itself to me and I eagerly took this one between my lips. It was fatter than the first but shorter and I was able to take him all the way in while licking at his balls. He pulled out of my mouth and lifted his dick out of the way, offering me his balls to suck on instead.

Behind me, the third mystery man was busy fingering me, fitting all four of his fingers inside my cunt and pressing his thumb into my arsehole. I relaxed and let him into my ring – now I was his juice-soaked glove.

replaced by a full-length, solid, thick prick wedged in tight up my snatch. Whoever owned it was fucking me hard and fast, holding my butt cheeks tight and grunting on each thrust.

"Where do you want him to come?" whispered Maggie in my ear, startling me.

"In me," I panted. No sooner said than done, his cock spat hot spunk deep inside me as he fucked me with abandon.

It wasn't over, by any means, I still had a cock in front of my face and I had been wanking it and sucking it without pause.

When the third mysterious man pushed his piece inside me and began to fuck me, the prick in front of my face erupted and

From my childhood I have always loved a dare, I especially love the thought of being tested to the limit and sometimes I can't wait for my husband to ask me to prove my love for him with a challenge or task, sometimes I have to push him into it! When I was a girl, my father had an affair, and I didn't like the idea of my future husband cheating on me. So I decided that in my future relationships I would do exactly what my boyfriend or my husband wanted, so that he never gets bored with me and couldn't ever find someone sexier!

When we first met and we became first time boyfriend and girlfriend I loved him so much and I wanted to keep him so much that

I did anything that he wanted; we were perfectly matched because he loved to give me sexy challenges to do. Once I walked half a mile to the shops in the wind and rain just to get him some cans of beer wearing nothing but my black plastic mac and my stilettos to turn him on. I let him photograph me naked and then let him send the pics off to readers wives magazines and he pinned some of the photos to telegraph poles in our street. I always let him come in my mouth when he wants to do it that way and I often shaved my pubes for him because it looks and feels better and I've even had full sex with his work mates when he asked me to – it's all been so much fun!

Now that we've been married a few years my husband has cooled off a bit, but he still likes to give me the occasional challenge. He has a friend called Pete whose wife left him six months ago, and he became

was thinking about how I make love – I wanted to remember exactly how I use my fingers on his cock and exactly what I do with my lips when I suck on my husband's cock. I wanted to get it right because afterwards Pete might tell my husband exactly what I did to him! As I walked in to Pete's flat he came straight up to me and gave me a lovely cuddle and a kiss on the cheek, I took his hand in mine and insisted we go straight to the bedroom rather than discuss it.

I did exactly as I'd been instructed over the previous couple of nights, first I got Pete to relax and lie back on the bed. He helped me to ease off his trousers and then I pulled my top over my head to reveal my breasts; then like a good wife should I started massaging the growing bulge in the front of his pants with the palm of my hand and fingers.

Then, putting my fingers down the front and releasing his swelling cock from its fabric prison, I knelt down by the side of his bed and took his stiff cock into my wet mouth. As I'd been instructed, I performed eagerly with my mouth, lips and tongue, hungrily sucking on him, willingly sucking him into my mouth and wanting to taste his come, running my tongue round under the edge of his cockhead and making his cock really stiff with excitement – I love the taste and feel of a man's stiff cock inside my mouth!

Pete reached over to my bottom and tried to pull off my mini skirt, so I pulled away from his cock and removed the rest of his clothes before undressing myself, lastly removing my black lace knickers and lying down on the bed naked next to him. Then I grabbed one of Pete's hands and placed it between my legs, encouraging him to feel me and play with my clit, exactly as I'd been instructed to.

I felt no shame in rolling over on to my back and opening my legs for Pete, my only hope was that he was enjoying my company and that I was doing everything to the best of my ability in order to complete the task that I'd been given – I didn't want him complaining about my abilities to my husband!

Pete knew what he was doing, and took some of his weight on his arms as he manoeuvred his body on top of me and between my legs. I reached down and took hold of his enlarged organ, and with my fingers I guided his stiff length between my legs and deep into me. As he used his body weight to nudge his cock deeper and deeper into me I gasped for air as I was overwhelmed with the lust that was running through my mind and my body. I was being used as a sex toy by my husband's friend at my husband's request, yet I felt hotter and far more randy being fucked by this man who was just using me rather than I normally do when my husband's fucking me – it was like all my senses had come alive again.

Pete sucked on my right breast now and gently scratched my breast with his teeth, I ran my left hand through his dark hair and pull his head hard down on my breast, inviting him to bite me as his erect prick thrust deeper and deeper into me. Then I reached round his back with my arms, pulling his entire body weight on top of me, totally pinning me down, sandwiching my nakedness between his weight and his mattress. I could do nothing more as the power of nature took its course and Pete increased the speed of his thrusts and after a minute or two he gasped as his cock erupted, pumping wad after wad of hot spunk deep inside my belly... it was an experience for me to savour for ever more.

After that, when we'd both got our breath back, I dressed, gave him a peck on the cheek, and left.

This is what I have done, to please my husband, to give him total control of my body I have shared a tender moment and had sex with his friend Pete on his bed and I have proved that my husband has total control over me again and I will submit to his desires completely, every time... and I loved every minute of it!

very sad and lonely so we invited him to come around to ours most nights of the week to watch the telly and have a few drinks to stop him from being too lonely. Anyway one night when I was in bed with my husband and he was ramming his thick cock in and out of my fanny again and again, he leant forward and whispered into my ear, softly asking me how much I loved him?

I said that I loved him so much that I would do almost anything that he wanted. With that he seemed to chuckle to himself while still steadily and deliberately fucking into me, he then asked me to prove it to him like I used to; I had to promise him that I would complete any task or dare that he wanted me to do, even before I knew what the dare was to be. I was so turned-on by his sudden enthusiasm and the smile on his lips that I wouldn't have refused him anything.

I promised to complete the test, in fact I desperately wanted to do anything he requested and I prayed it would be something rude.

The thought of a test for me to complete and the feel of his lovely big cock powerfully ramming in and out between my legs brought me to a fantastic rippling wet orgasm that seemed to rip right through my body several times, just before he shot his sticky load deep into me.

Lying together on the bed afterwards, he told me that the trial for me to complete was that I had to go to Pete's flat one night and have sex with him in exactly the same way as we do it.

Michael told Pete what he wanted me to do and exactly how I was to do it! I had to take the lead, getting him onto the bed and removing his trousers first, then in releasing his cock and wanking it to life before kneeling down and taking his length between my lips and into my wet mouth. I had to suck on him hungrily with just the same enthusiasm as I suck on my husband's cock, and when he was nice and hard I had to promise to lie down and let Pete take me!

On the day I was so excited. Michael booked the taxi for me and laid out my clothes on the bed. I felt really damp between my legs and

BROOKE

Age: 26 Vital Stats: 30F-26-36 5'3"
Photographer: BB Media

Unless we're very much mistaken, Bristol-based beauty Brookie Little appears to be living up to her name less and less in the boob department – so what's going on exactly?!

“Yes, it's true! Just over the last few of months they seem to have grown a bit of their own accord. Guys used to like them alright before, but now they seem to be going crazy over them!”

Tsk, men eh – they're so shallow, aren't they?

□□□□□□□□

Adele Taylor's got quite an army of devoted fans, if the sales of her digital sets on our digitalmagazines.xxx site is anything to go by. And you can't really blame them, can you?!

"It gives me a real thrill knowing there are loads of guys – and hopefully a few girls as well! – out there who appreciate my work!" she grins.

Well, if we're talking about giving people thrills, we reckon you're still the best at it, Adele!

Petite cutie Michaela's certainly got everything in the right place, hasn't she? We bet she's got the fellas eating out of her hand wherever she goes, hasn't she?

"Well, I guess I do get more than my fair share of attention!" she admits. "Guys are always offering to help me carry my bag up the stairs at stations, even though it's usually rather small and light! Still, if I fancy them I'll let them do it... and make sure I give my arse an extra wiggle as I walk up in front of them as a special treat!"

So that's pretty well it for 2016 – quite a year to remember, not least for all the celebrities who sadly popped their clogs. Still, we'd prefer to end the year on a high note – and they don't get much higher than another British newbie treating us to an eyeful of exactly what she's got! Valerie's curvy charms and perfect rump should make her a firm favourite with *Mayfair* readers, so it's onwards and upwards for 2017, eh? Happy New Year to all our readers!
